(Batch 1)

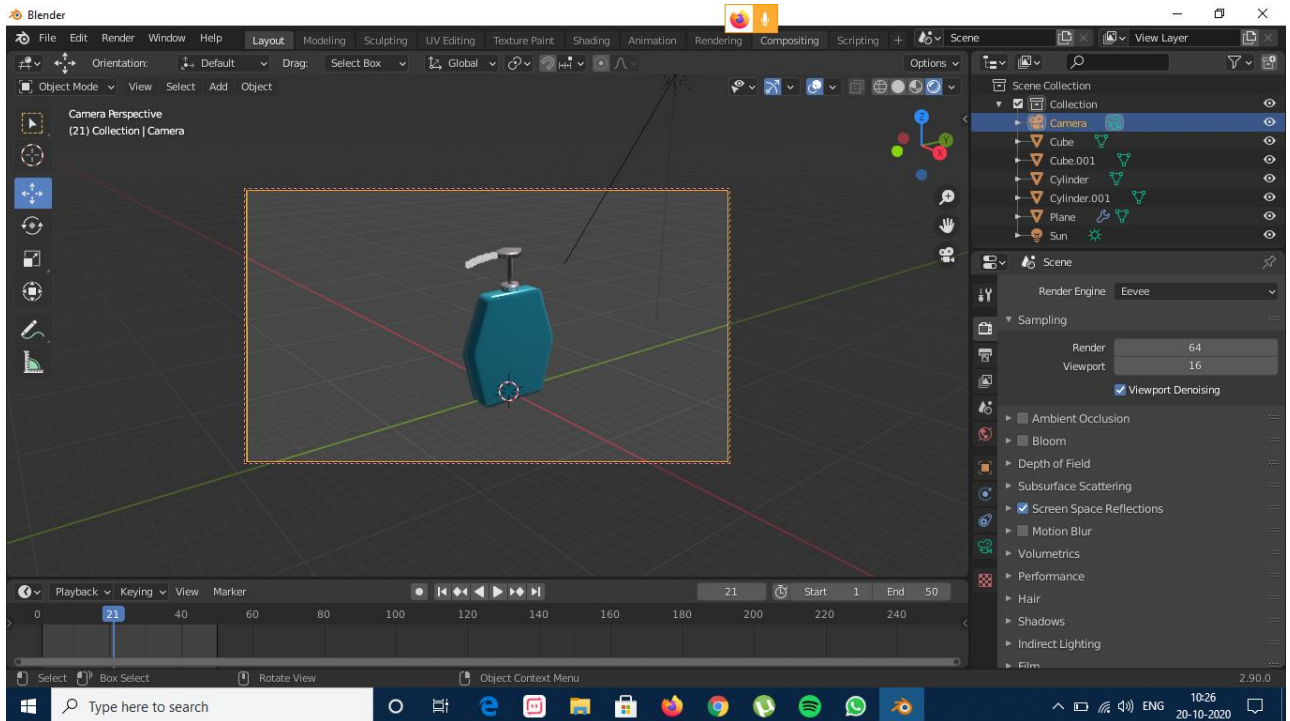

1. Hand Sanitizer (BLENDER):

Following are the steps taken:

- 1.Add a cubical mesh and shape it according to your needs.
- 2.Add a cylinder and put it right at the top of your cubical body of hand sanitizer.
- 3.Try giving it a certain shape to make it look like hand sanitizer.

4. Add materials to the sanitizer bottle and spray.

2. Bottle Logo (GIMP):

Following are the steps taken:

1. There are two layers added in GIMP.
2. One is the text layer while other is the Paint layer.
3. Both were added and merged to create this logo.
