(Batch 1)

INDEX

1. Experiments -1 Installation of GIMP AND BLENDER.
2. Experiment – 2 Design of Logo using GIMP.
3. Experiment – 3 Design of Google Logo using GIMP.
4. Experiment – 4 Design your own animation using GIMP
5. Experiment – 5 Design of 3D Text using Blender.
6. Experiment – 6 Design of 3D Hut using Blender.
7. Experiment – 7 Design of 3D Rocket using Blender.
8. Experiment – 8 Design of 3D Car using Blender.
9. Experiment – 9 Design of 3D Mountain Landscape using Blender.
10. Experiment – 10 Design of 3D UPES Landscape using Blender.

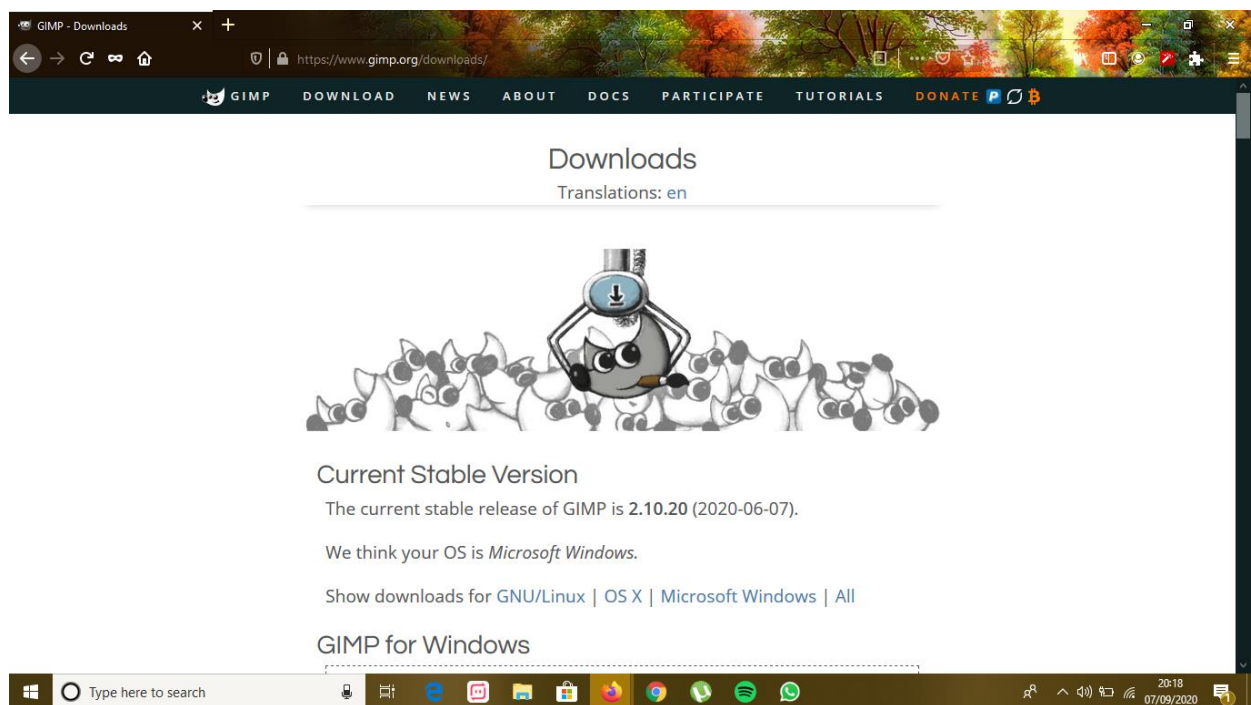

EXPERIMENT 1 (Installation of GIMP and Blender)

Aim: To understand the installation process of GIMP and Blender.

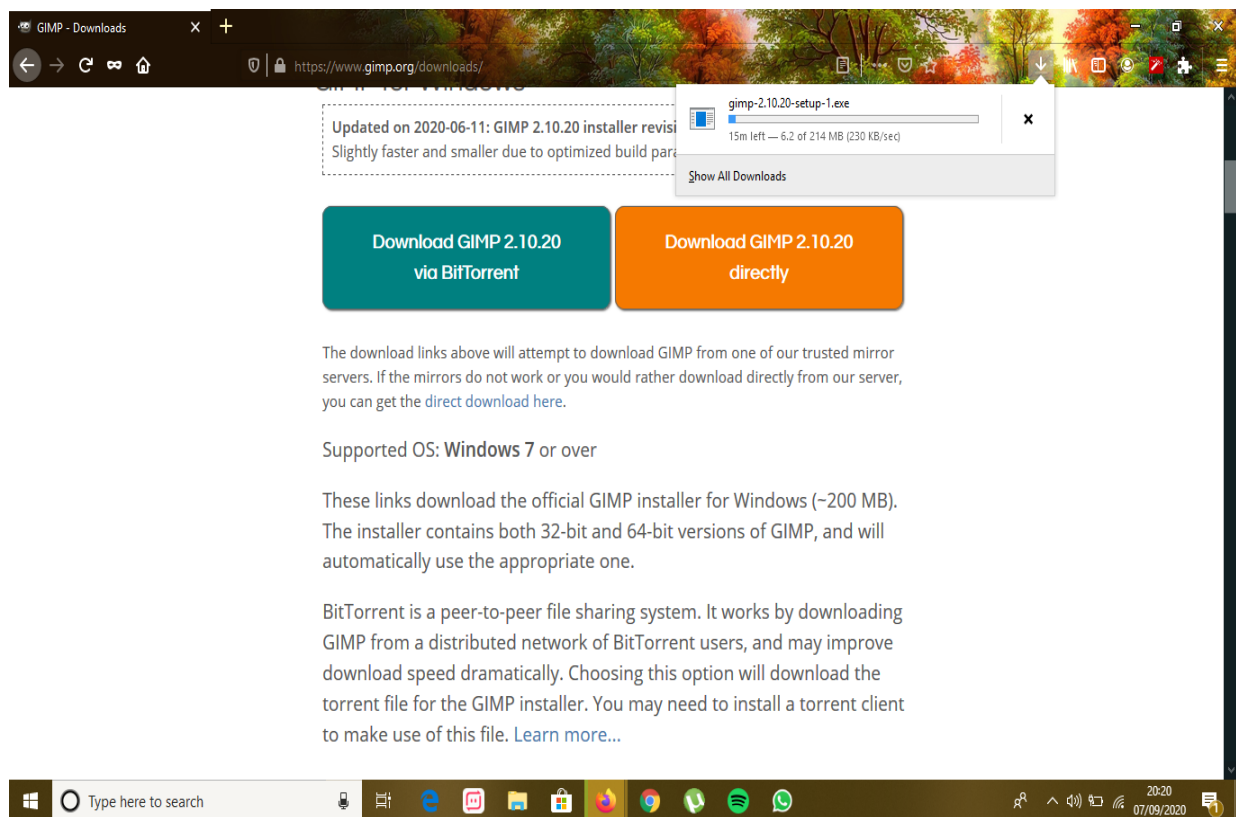

PART 1: GIMP Installation

Following are the steps for the installation of GIMP:

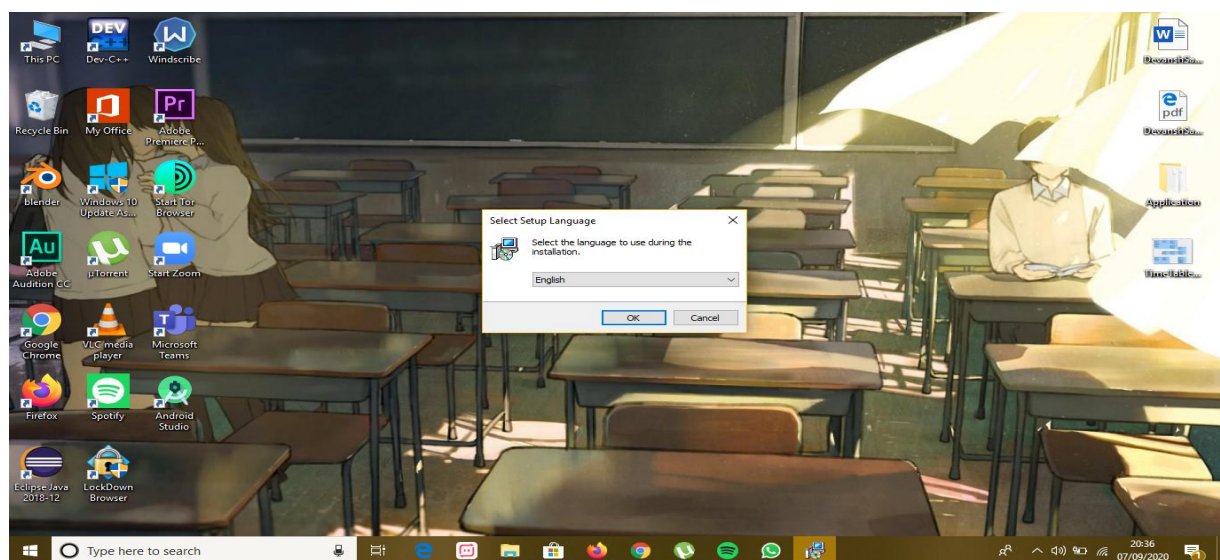

1. Go to www.gimp.org/downloads/

2. Click on one of the two available download links:

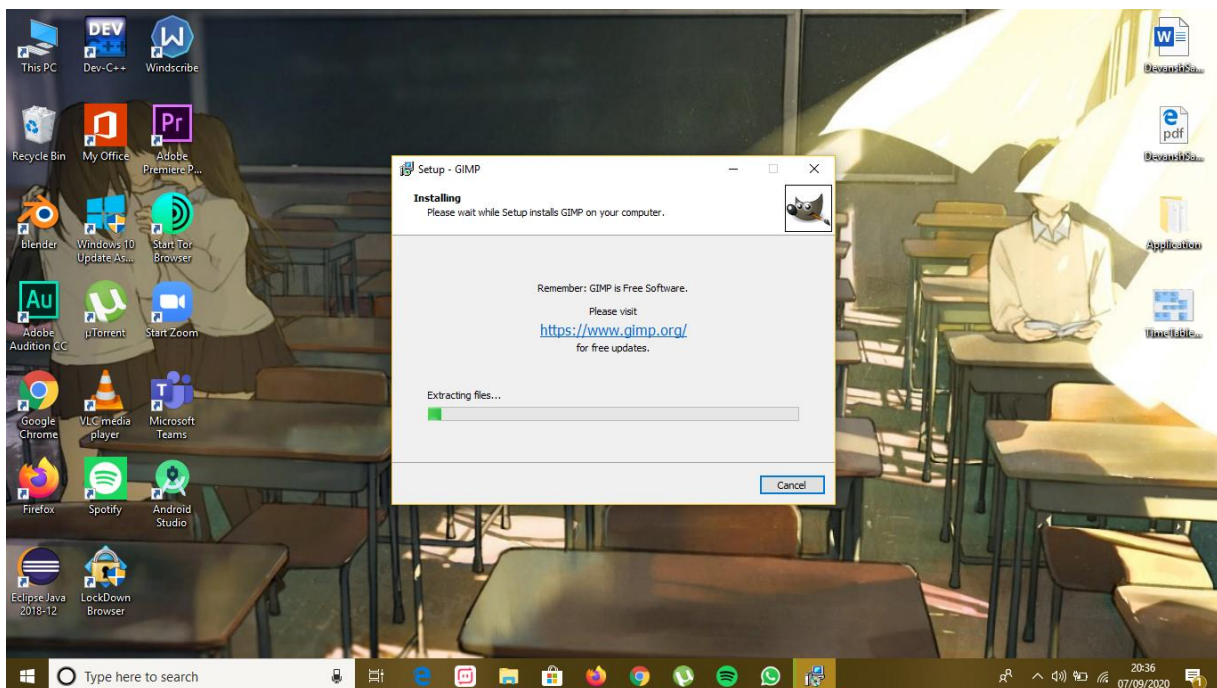

3. Select a language (here English) and click on 'OK'

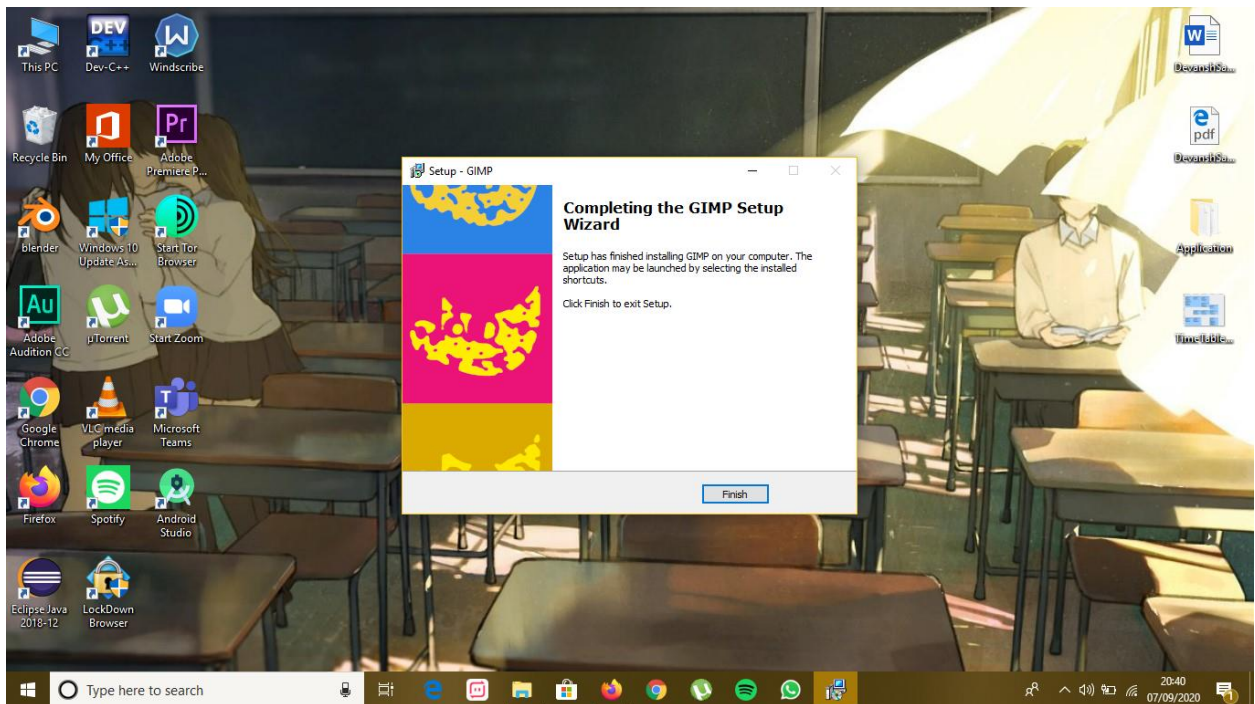

4. Click on 'Install'

5. Wait for the setup to install the software

6. Click on 'Finish'

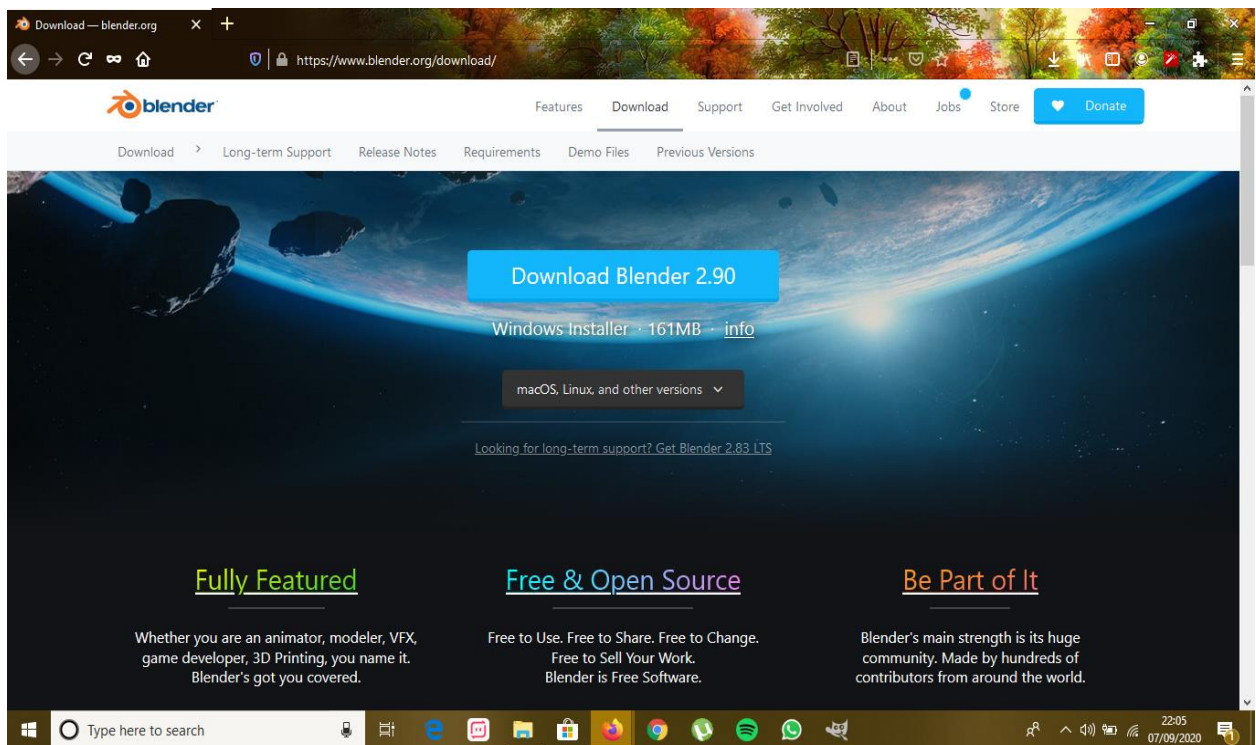

7. After installation, click on the GIMP icon on desktop and the startup window will look like this:

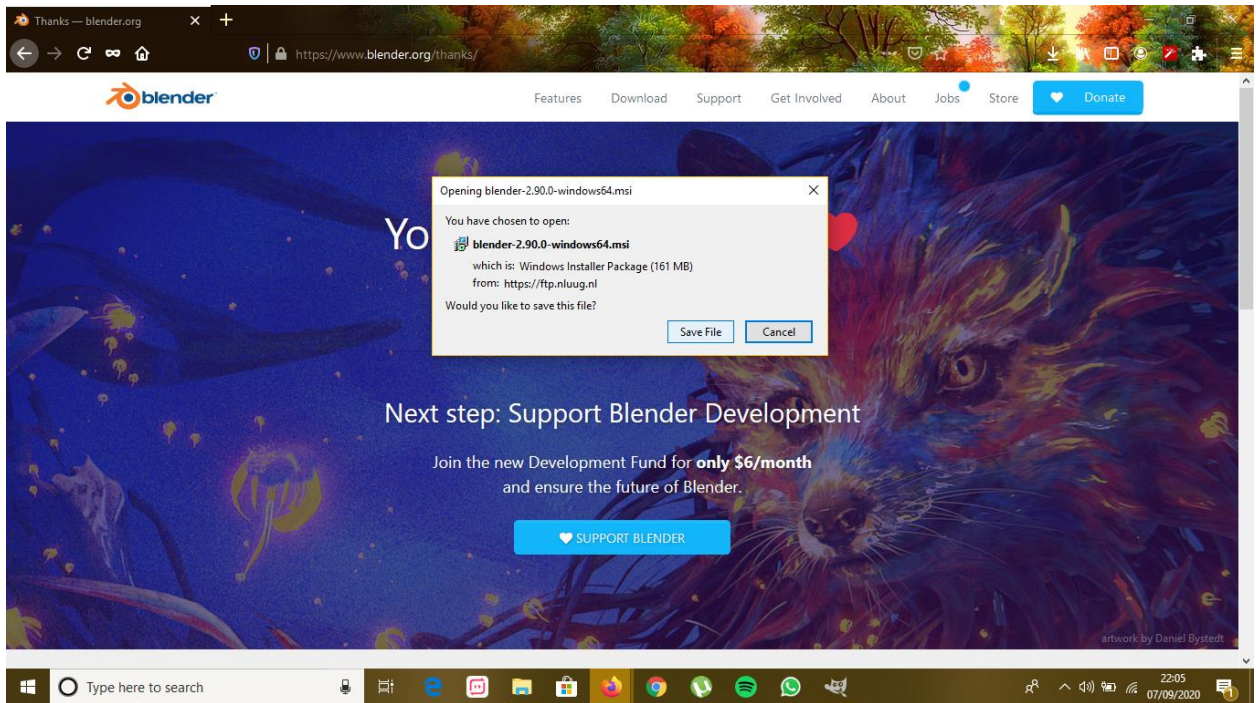

PART 2: BLENDER Installation

Following are the steps for the installation of Blender:

1. Go to www.blender.org/download/ and click on 'Download'

2. Click on 'Save File'

3. Run the downloaded file:

4. Click 'Next' whenever asked:

5. Click on 'Install' for the setup to start the installation process:

6. Wait for the software to be installed:

7. Click on 'Finish' to complete the installation process:
